**[VERSE 1]**

C Am  
He searched for those wings that he knew  
Em  
that this angel should have at her back.  
F  
And although he can't find them  
C  
he really don't mind  
G  
because he knows they'll grow back.  
C Am  
And he reached for that halo that he knows  
Em  
that she had when she first caught his eye.  
F  
Although his hand came back empty  
C  
he's really not worried  
G  
because he knows it still shines.

**[ CHORUS ]**

F G  
 I can't promise that I'll grow those wings  
 C G F  
 or keep this tarnished halo shined  
 F G  
 but I'll never betray your trust  
 C  
 angel mine.

## [VERSE 2]

C Am  
I search all the time on the ground  
Em  
for our shadows cast side by side.  
F C  
Just to remind me that I haven't gone crazy  
G  
that you exist and are mine  
C  
And I know that your skin is  
Am  
as warm and as real  
Em  
as that smile in your eyes.  
F C  
But I have to keep touching and smelling  
G  
and tasting for fear it's all lies.

## [CHORUS]

F G  
I can't promise that I'll grow those wings  
C G F  
or keep this tarnished halo shined  
F G  
but I'll never betray your trust  
C  
angel mine.

## [VERSE 3]

C Am  
Last night I awoke from the deepest of sleeps  
Em  
with your voice in my head.  
F  
And I could tell by your breathing  
C  
that you were still sleeping  
G  
I re-peated the words that you had said.

**[CHORUS]**

F G  
I can't promise that I'll grow those wings  
C G F  
or keep this tarnished halo shined  
F G  
but I'll never betray your trust  
C  
angel mine.

F G  
I can't promise that I'll grow those wings  
C G F  
or keep this tarnished halo shined  
F G  
but I'll never betray your trust  
C  
angel mine.
