Blowin in the Wind

(Bob Dylan)

Time Signature: 4/4
Chords: Am, C, F, G
Tempo: 130 - 150 BPM

[INTRO]

C   F   C

[VERSE 1]

```
C           F              C
How many roads must a man walk down
              F            C
before you call him a man?
          F            C
How many seas must a white dove sail
                 F              G
before she can sleep in the sand?
C           F              C
How many times must the cannon balls fly
                   F        G
before they are forever banned?
     F          G          Am              F
The answer my friend, is blowin' in the wind
               G              C
The answer is blowin' in the wind.
```

[BREAK]

C   F   C

[VERSE 2]

```
C           F              C
How many years can a mountain exist
            F              C
before it's washed to the sea?
          F              C
How many years can some people exist
                 F          G
before they're allowed to be free?
C           F          C
How many times can a man turn his head
                     F          C
and pretend that he just doesn't see?

     F          G          Am              F
The answer my friend, is blowin' in the wind
               G              C
The answer is blowin' in the wind.
```

[BREAK]

```
C   F   C
```

[VERSE 3]

```
C           F               C
How many times must a man look up
                  F         C
before he can see the sky?
          F           C
How many ears must one person have
                  F           G
before he can hear people cry?
C           F               C
How many deaths will it take till he knows
                  F           C
that too many people have died?
    F         G           Am              F
The answer my friend, is blowin' in the wind.
                  G               C
the answer is blowin' in the wind.
```

[OUTRO]

```
C   F   C
